

NORTHRIVER

COVID-19 NRYC Golf Precautions

All players and staff members observe appropriate social distancing standards at all times at a minimum of six feet apart in staging area, on course, putting surfaces, and teeing areas with no more than ten people in each area. Achieved by staff members communicating with each player while observing the appropriate social distancing of six feet and patrolling the golf course and practice areas to maintain compliance.

Club House

- Club house is closed with the exception of restroom access

Golf Shop

- The Golf Shop is closed

Tee Times

There will be a blocked tee time following every fourth tee time to allow for additional spacing

Golf Staff

- Each staff member wears gloves while on shift and changes them regularly
- Staff members wash hands for twenty seconds and use hand sanitizer regularly throughout shift in between glove changes

Golf Carts

- We are washing all surface areas of each golf cart with soap and water before and after each use including rakes and all other touch points
- We are using a disinfectant on all areas of the carts before each use including rakes and all other touch points
- Single rider carts

Practice Areas

- All players and staff members observe appropriate social distancing standards at all times at a minimum of 6 feet apart
- Practice Range set with stations twelve feet apart to comply with social distancing standards of six feet minimum
- All surfaces are disinfected regularly throughout the day

Golf Course

- We have removed all rakes, sand apparatus, ball washers, and water coolers from the golf course
- Rakes are washed with soap and water and disinfected before placing on each single rider cart for use.
- Cup liners have been adjusted so players can retrieve their ball without reaching into the cup
- Flags are not touched by players for any reason
